Information on doctoral dissertation

Faculty: _____

Primary supervisor: _____

Title of dissertation: _____

Day of oral defense: ____ _____, 20____ (please spell out the month)

I hereby request a temporary publication block of my dissertation according to §25(7) of the University of Hohenheim's Doctoral Regulations from 2023. This request is for (please put an X in the appropriate box):

first-time block for 2 years (this is possible only once)

extension of a previous block for 1 year (This must be requested three months before the original block ends and can only be requested once.)

After the block period has ended, the dissertation will be published by KIM without any further action on the part of the doctoral candidate.

This request shall be accompanied by an informal justification of the need for a block, including documentation about which contribution and which review or publication process the block is for.
