

Request for approval of a binding Study and Examination Plan in the Master Programme  
**„Environmental Protection and Agricultural Food Production“**

***This is a binding registration for the marked examinations!***

Family Name, First Name: \_\_\_\_\_

Registration No.: \_\_\_\_\_

Phone No.: \_\_\_\_\_

\_\_\_\_\_  
 e-mail (voluntary information)

In this schedule, you must specify the modules that you want to complete in the **winter semester 2013/2014** and **summer semester 2014**. Since the semester structure will change starting in winter semester 2014/2015, you do not need to specify the modules which you intend to complete in your third semester in this scheme.

The number specified here is the number of modules that is currently needed to complete the study programme. So you need not check or enter the number of modules mentioned here.

The compulsory modules and the module which can be chosen as elective modules are listed in the degree course scheme of the Faculty of Agricultural Sciences

#### Compulsory Modules

- ☐ **4402-440 Agricultural Production and Residues** (you have to choose this module if you have an academic background in food technology or nutrition science)
- ☐ **1503-410 Food Technology and Residues** (you have to choose this module if you have an academic background in agricultural or environmental science)

#### Semi-elective Modules

You have to choose 3 semi-elective modules out of this catalogue

Module code	Module title	Time	Semester of examination
3202-430	Air Pollution and Air Pollution Control	B1	
3802-420	Biodiversity, Plant and Animal Genetic Resources	B8	
3802-410	Ecology and Agroecosystems	B2	
3102-440	Environmental Pollution and Soil Organisms	B6	
3003-410	Food Safety and Quality Chains	B5	
4303-470	Gender, Nutrition, and Right to Food	unblocked SS	
3202-420	Global Change Issues	B4	
4303-480	Global Nutrition	unblocked SS	
3004-410	Inland Water Ecosystems	B5	
4403-550	Post-Harvest Technology of Food and Bio-Based Products	B8	
1201-410	Remote Sensing	unblocked WS	
4403-470	Renewable Energy for Rural Areas	B9	
4406-410	Waste Management and Waste Techniques	unblocked WS	
4403-580	Water and Soil Management in Agricultural Production	B3	

Please see the reverse side of this form

**Elective modules**

You have to choose 5 elective modules in total out of the entire module list of the faculty of Agricultural Sciences

Module code	Module title	Time	Semester of examination

**The selection of modules belonging to other study programmes (or other universities) requires approval by the examination committee (approval request is required together with submission of the Study and Examination Plan!)**

Herewith I request admission to the examinations of the modules marked below.

Signature of Mentor

---

The registration and examination dates can be enquired in the internet.

You are free to select a maximum of 30 credits voluntary additional modules, which should be entered here.

Module code	Module title	Time	Semester of examination

Changes in the Study and Examination Plan require the approval of the academic counsellor/coordinator, they are not allowed for modules in which examinations have already been taken or registered for the examination. To change the Study and Examination Plan please use the respective form which is available in the "Studieninformationszentrum SIZ"
