

Rubicon Contest 2011

International Contest for Business Students

Are you ready to share your thoughts on future topics?

Are you ready to take part in one of the most challenging and famous international business contests for students?

Are you ready to cross the Rubicon?

The Rubicon Contest is run by students for students sharing the idea of exchanging thoughts on business and management as well as building friendships across the world. You and your team compete in a three-day program of business simulation and case studies to win the Rubicon Contest 2011. There are attractive prizes for the winning teams as well as an interesting supporting program for everybody.

When?	March 1st to March 3rd, 2011
Where?	BiTS Iserlohn, Germany
Who can apply?	Your team must consist of four students, currently enrolled in a business program (or a related field). The Rubicon Contest is open to both undergraduate and graduate students.
When to apply?	The application period is from December 13 th 2010 to January 24 th , 2011.
