Other information	We create excellent opportunities for people who are passionate about creating value in an entrepreneurial work environment and want to actively shape the future of food. We foster a performance-oriented culture that empowers and inspires everyone to achieve extraordinary things – for our customers, the company, and each other. We hire great people and help them reach their full potential – high job satisfaction, excellent career prospects, and our full commitment are particularly important. But above all, the Döhler culture is about embracing challenges, constantly learning, and continuing to grow.
